Understanding Each Others’ Worlds: Dialogue

Labor-Management Trust

1. How does your group benefit from labor-management collaboration and the labor-management committee?

2. What are the challenges and difficulties you face when participating in labor-management collaboration and labor-management committees?

3. What do you want the other group to know or understand about your group so they can be more prepared to dialogue with you and support you?

4. What can your group do to build trust, enhance communication, and further collaboration between labor and management within your agency or facility?

5. What are one or two questions you would like to ask the other group so you can better understand their issues and concerns?
