Layoff Services Guide

We are experiencing a critical turning point in history. When one member of a Local loses his or her job, the whole Local loses a valuable member. Being part of CSEA means we care about our brothers and sisters.

If we are to remain strong, our strength lies in what we can do for our members. CSEA has developed this Guide to help members deal with the many difficult problems and concerns associated with a layoff.

CSEA's goal is to reach every member who will be laid-off with the assistance that is available and with the caring necessary to help make a difference. Use this Guide to help put the pieces together.

Section 1 – NYS Unemployment Insurance Benefit

How do I file for unemployment insurance benefits?

New York State residents may apply for unemployment insurance (UI) benefits online at dol.ny.gov by following the prompts to file a new claim. Full information about all stages of the process is available at <https://dol.ny.gov/unemployment-claimant-benefit-process-0>.

You may also file a claim by calling the appropriate Telephone Claims Center at:

1-888-209-8124 (TDD/TTY : Hearing-impaired customers who have TDD equipment can call the RELAY CENTER at 1-800-662-1220 and provide the relay operator with the toll-free number for hearing-impaired applicants at 1-888-783-1370.)

What information do I need to file my claim?

- Your Social Security number.
- Your driver's license or Motor Vehicle ID card number, if you have one.
- Your mailing address and zip code.
- A telephone number where you can be contacted for additional information.
- Your alien registration card number, if you have one.
- The names and addresses of all employers for whom you've worked within the last 18 months, including those in other states.
- Employer registration number or Federal Employer Identification Number (FEIN) [found on your W-2]
- Your copies of forms SF8 and SF50, if you have had federal employment within the last 18 months.
- A copy of your most recent separation form DD 214, if you are an ex-service member claiming benefits based on your military service.

If you do not have all of the documents listed above, you may still file a claim. There may be some delay, however, in receiving your first payment.

Should I wait a week before filing my claim?

No. File your claim during your first week of total or partial unemployment, which is any week in which you work less than four days and earn less than \$504 gross. To delay may cost you benefits. It is important to file promptly because your first week is an unpaid week referred to as the 'waiting period'.

Please Remember! For assistance on ALL Unemployment Insurance matters, you MUST call: 1-888-209-8124

Section 2 – CSEA Dues-Free Membership For A Laid-Off Member

The purpose of dues-free membership is to allow members to continue their CSEA- sponsored insurance coverage while out of work.

Call CSEA Membership at 1-800-342-4146 for an application or Email them at emembership@cseainc.org *

Upon CSEA's receipt of the form, the laid-off member will be granted Gratuitous Membership for the first year of unemployment. This status can then be changed to Associate Member if Pearl Insurance insurances are involved.

Dues-free members can also use members-only resources on the CSEA website, such as free online Civil Service Test Preparation materials.

Dues-free membership does not protect a member's rights with respect to seeking or holding Union office, signing nominating petitions for potential candidates, voting in Union elections and voting on collective bargaining contracts.

***Please see *Appendix A* at the end of this guide for an Application for Dues-Free Associate Membership.**

Section 3 – Health and Retirement Benefits

COBRA Rights

The Consolidated Omnibus Budget Reconciliation Act (COBRA) requires most group health plans to provide a temporary continuation of group health coverage for a limited time of 18 or 36 months. The length of time for which continuation coverage must be made available depends on the qualifying event that caused loss of coverage.

COBRA requires continuation coverage to be offered to covered employees, their spouses, and their dependent children when group health coverage would otherwise be lost due to certain specific events. Those events include the death of a covered employee, termination or reduction in the hours of a covered employee's employment for reasons other than gross misconduct, divorce or legal separation from a covered employee, a covered employee's becoming entitled to Medicare, and a child's loss of dependent status (and therefore coverage) under the plan.

An employee or dependent electing to continue coverage must pay the employer FULL share of the required premium on a monthly basis. Employers may add an additional 2% to the premium to cover administrative costs. You must notify your employer in writing that you wish to continue coverage under COBRA within 60 days of the qualifying event. Failure to make premium payments in a timely manner can result in your loss of coverage.

While COBRA continuation coverage must be offered, it lasts only for a limited period of time.

Qualifying Events

"Qualifying events" are events that cause an individual to lose his or her health group health coverage. The type of qualifying event determines who the qualified beneficiaries are for that event and the period of time that a plan must offer continuation coverage.

The following are qualifying events for a covered employee if they cause the covered employee to lose coverage:

- Termination of the employee's employment for any reason other than "gross misconduct"; or
- Reduction in the number of hours of employment.

The following are qualifying events for the spouse and dependent child of a covered employee if they cause the spouse or dependent child to lose coverage:

- Termination of the covered employee's employment for any reason other than "gross misconduct";
- Reduction in the hours worked by the covered employee;
- Covered employee becomes entitled to Medicare;
- Divorce or legal separation of the spouse from the covered employee; or
- Death of the covered employee.

In addition to the above, the following is a qualifying event for a dependent child of a covered employee if it causes the child to lose coverage:

- Loss of "dependent child" status under the plan rules. Under the Affordable Care Act, plans that offer coverage to children on their parents' plan must make the coverage available until the adult child reaches the age of 26.

FOR ADDITIONAL INFORMATION REGARDING CONTINUING COVERAGE UNDER COBRA, PLEASE CONTACT YOUR FORMER EMPLOYER.

Additional COBRA information can be found by visiting www.dol.gov/COBRA

Section 4 - Reemployment and Training

State and Local Government Civil Service Agencies

NYS Department of Civil Service

The NYS Department of Civil Service administers civil service employment for the executive branch of New York State and maintains a website to find qualified candidates for provisional appointments. Difficulties filling certain positions have led to the creation of the NY HELPS program, which has made hundreds of positions open for quick hires for permanent noncompetitive appointments without examinations.

You can view a list of state NY HELPS jobs at:

<https://statejobs.ny.gov/public/search.cfm>

(use keywords “NY HELPS”)

Municipal Civil Service Agencies for Local Government

Positions in local government fall under the jurisdiction of the Municipal Civil Service Commission or Personnel Officer responsible for administering the merit system in local government. With the exception of certain listed cities and suburban towns, each county is responsible for administering civil service functions for itself and all civil divisions within it including cities, towns, villages, school districts, BOCES and special districts. If the city or town is not listed, you should contact the county civil service agency.

The NY HELPS – Local program has made thousands of positions in 95 municipalities that normally require a civil service test open for noncompetitive appointments for qualified candidates. Positions which are normally filled by promotional eligible lists may only be filled by this program if their eligible lists are exhausted. Call your local municipal civil service agency or visit their website for more information. The program will be in effect through June 30, 2026.

You can find links to municipal civil services agencies at:

www.cs.ny.gov

View a list of titles in local government filled by this program (when there are vacancies) at:

NYS Department of Labor One Stop Centers

One-Stop Career Centers provide a wide variety of employment services. Find a One-Stop Career Center in your area on the Workforce Development web site at:
<https://dol.ny.gov/career-centers>.

What can I expect to find at a One-Stop Center?

Knowledgeable staff are available to help you assess your needs, come up with targeted job searches, develop an employment plan, craft an effective resume, and identify funding for training, if needed.

Section 599 is a provision in the Unemployment Insurance Law that makes it possible for unemployment recipients to receive benefits while attending a training course or program. When training has been approved under this provision, unemployment recipients are excused from the requirement to look for work and may be eligible for additional weeks of benefits when funding is available. One-Stop Center staff will assist you in developing a training program and with the application filing process.

What other services are available to a dislocated worker at the One-Stop Center?

If you are unable to obtain employment through the core services available in the Resource Room, the following services would also be available:
